Memorandum:

Mr. Hume:

W. ½ of 17-73-5, W. 5th M.
South African Volunteer Scrip,
Joseph Bouchard. 21st Aug.1911.
Application for patent made.
Recommended.

Mr. Bouchard has executed his application for patent and the evidence shows sufficient residence but very little in the matter of cultivation although he claims from 40 to 50 head of stock each year, but only one mile of fencing.

The Homestead Inspector states that he has improvements consisting of a house, $450.00, log stable, $100.00 and one mile of fencing, $1[illegible] and has had from 40 to 50 head of cattle from 1911 to the present time.

The Inspector in his general remarks states as follows:-

"Upon visiting the above described land "with regard to the equality of breaking being "equivalent of breaking 30 acres of ordinary "prairie land, I beg to say that I consider the "applicant has done the equivalent as the nature "of this land is so rough and hummocky caused by "fire and (?) and while it would be difficult to "break when done it is useless. This quarter-"section is only fit for grazing and hay. The "greater portion being marsh and slough. This "land has the appearance of being lake bottom at "some time and is known to be mostly flooded in "seasons of high water. In view of the fact that "it cannot be considered from a cultivation stand-"point and only fit for grazing [illegible] every year "I would recommend [illegible] consideration of "the officials of the Department in the application "of Mr. Bouchard as I believe he has done the "best showing of a plot of [illegible] "has had from [illegible] to the best of their ability "increase."

- 2 -

In view of the Inspector's report, kindly advise whether you will accept this application as satisfactory or whether it will be necessary for Mr. Boucard to comply fully with the provisions of the stock conditions of the Act and show that he has the whole quarter-section enclosed by a substantial fence.

Dear Sir,-

We have yours of the 2?th instant enclosing South African warrant No. ?2?4 in the name of Lucy Elizabeth O'Grady Administratrix of the estate of and in that capacity legal representative of Samuel Cecil Harvey O'Grady, deceased, together with substitution form. The substitution form on this warrant is not in order. The grantee Mrs. O'Grady should be described in exactly the same way as is on the face of the warrant. You will notice that her name is not written out in full and that she is not described administratrix. The affidavit of execution by the witness, George Maben, does not identify Mrs. O'Grady as one and the same person mentioned in the warrant. The first clause of the affidavit should state that the document was executed by Lucy Elizabeth O'Grady, etc. etc. as mentioned on the face of the warrant. While we have no doubt but that the Mrs. O'Grady executing the document is the proper party the Department of Interior so often refuse to accept those forms unless they are in entire accordance with the act and we are consequently very sorry to have to return the document which we do on instructions from Messrs Laidlaw & Co. We would suggest that if it was forwarded to the Department of Interior, Ottawa, and they attach a letter saying that it would be accepted by them in its present shape, delivery of it could then be made.

S.A.V.S.-Oliver Travers

Mr. Greenwa.

It has been represented that Mr. Travers enlisted for active service during the spring of 1915. Under the circumstances, if confirmation of his enlistment can be obtained from the Militia Department, his application for patent might be accepted as a special case.

Kindly have a letter sent to the Militia Department as soon as possible, asking for the desired confirmation, and when the reply has been received please have this office informed of the action taken.

MEMORANDUM

Mr. Hume

N. ½ of 12-[illegible]-W. 5th Mer.
S. A. H. S.- Oliver Travers.
Since the 30th December, 1911.
Application for patent made.
Recommended.

Kindly turn to form No. 58 and note what is claimed in the way of residence, cultivation and other improvements.

It appears that there is only ten acres broken, but in addition he has considerable stock.

When the application for patent was received instructions were to have a Homestead Inspector report.

The report of the 12th of April, 1915, credited Mr. Travers with over two years residence and with only about three acres of breaking, but stock in years 1913 and 1914.

In his general remarks the Inspector states as follows:-

"In addition to the above improvements Mr. Travers has brushed and cleared about 10 acres which was covered with poplar and willow. As this is a very expensive job, I fully believe Mr. Travers has done enough work on the above described land to equal the amount required in a prairie homestead.
"There is none of this land that can be cultivated without stumping at least Thirty ($30.00) Dollars per acre for clearing [illegible].
"As Mr. Travers has very substantial improvements [illegible] I would [illegible] allowed [illegible]."

What [illegible]

When this report was received, the case was submitted and the instructions were that if Mr. Travers would break five acres of the area cleared and crop the area already broken, it might be accepted.

Kindly refer to the Deputy Minister's memorandum of the 10th of February, 1916.

Word is now being received for Militia Department setting forth that Mr. Travers enlisted for active service on the 5th of May, 1915.

Kindly say whether this application for patent is now to be disposed of.

Yours truly,

DOMINION LANDS ADMINISTRATION

Copy to the A.D.L.Calgary.
Ref. # 54669 R.D.

Sir,-

N.W. ¼ Sec. 10 Tp. 39 Rge. 6 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Andrew Mahka, Esq.,
Rocky Mountain House,
Alberta.

Your obedient servant,

Acting Commissioner of Dominion Lands.

P.S. If you will communicate with the Agent of Dominion Lands at Calgary he will inform you whether the S.E. 10-39-6-W. 5th Meridian is vacant and available for homesteading.

Dear Sir:

Re: N.W.¼ 34-57-23-W 4th Mer.
John Dzus

In reply to your letter of September 21st, I may say that this land was patented to Mr. Iwan Dzus. When he applied for entry for the land on June 1st, 1906, the only statistical information given was that his family consisted of 5 members, including himself and that he was a Galician. It is noted that he stated that he had obtained entry for the S½ 16-57-19-W 4th M. but had abandoned the land. Mr. Dzus (or Dzus) was not able to write and the spelling of his name appears to have varied according as different persons wrote it for him. It is also shown as Iwan Juse. In his sworn statement dated May 16th, 1911, furnished in support of his application for patent for the land at the head of this letter, Iwan Dzus gave his age as 37 years. He also stated that he had a wife and five children but did not mention their names and ages.

I am sorry that I have no information regarding the date of his arrival in Canada.

Yours very truly,

J. Lorne Turner,
Registrar of Deeds.

Sir,

N.E.¼ 23-33-4-W. 4th M.

Your attention is drawn to the fact that on the 6th August last cancellation proceedings were instituted in connection with your pre-emption entry for the land above described on your failure to make application for patent within eight years.

It is now noted, however, according to a recent inspection and report made by an official of this Department that possibly sufficient has been done in the way of settlement duties to permit of a successful application for patent being made. Consequently it is expected that within the next forty days you will appear with your witnesses before the Dominion Lands Agent or Sub-Agent for the District and make formal application for patent, or if for any reason unable to do so within that time advise the Dominion Lands Agent at Calgary of your intentions in that regard in the near future.

Until action in this regard is taken it will not be possible to dispose of the cancellation proceedings pending.

A copy of this communication is being forwarded to Mr. Cuttle, Chief Inspector of Dominion Lands Agencies, who is dealing with your application for seed grain.

Your obedient servant,

Assistant Secretary.

H. H. North, Esq.,

Dear Sir:

Re: N.E. 4-11-4-W4

This Department has an old account against the above noted land for advances of seed grain to Wm. E. North in 1918, 1920, 1921 and 1922.

As we have been informed that this is Crown Land, we would like to be advised of its present standing and whether it is likely ever to be used again for farming purposes.

Yours very truly,

C.K. LeCouplain,
Chief, Lands Division.

The Director,

Re: Account of Wm. E. North
N.E. 2-33-4-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919, 1920, 1921 and 1922 seed grain amounting to $874.30 was advanced to Wm. E. North on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 874.30	$ 2,015.35	$ 2,889.65

The N.E. 2-33-4-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 20th of November 1925 and the land is still unalienated Crown Land held in the right of the Province.

The land is described as too sandy for agricultural purposes and is only fit for grazing purposes.

This quarter section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

Re: Estate of John W. Tupling,
S.E. of 12-50-2-W5th.

Dear Sir:

I have received your letter of January 12th, and in reply may say that it was necessary for the above named to put in three years' residence duties, for six months each year, under the Dominion Lands Act, before Patent issued in his name. Also, it was required that he break the equivalent of 30 acres of land during that time, although due to the difficulty of breaking the ground in his case, consideration was given him when he had broken 10½ acres.

Yours very truly,

T.L. Cory,
Acting Registrar of Lands.

Dear Sir: Re: C-3283"A".
Your File 2405013 Ledger Folio 6.

We have received your notice dated the 15th of June, 1923, of seed grain advance made in 1915 against the SW-30-1-13 W-4th to Mr. Andrew S. Broadbent.

In reply to this, we would say that we held a mortgage on this land, and we foreclosed same in 1915 and on the 24th of November, 1915, clear Certificate of Title issued in our name.

This seed grain advance was apparently made prior to the date we foreclosed our mortgage, and as there was no record of this advance filed against the title at the time it was issued in our name we do not feel that we should be called upon to pay this advance, and we would be glad if you could arrange to write this charge off your books.

Dear Sir:

Re: J-3403"A". W-30-1-13 W-4th.
Your File No. 240613.

Your letter of the 27th of July received, in which you state that your seed grain lien No. 1993 D.L. was registered two days before the title to this land issued in our name, and it would, therefore, seem that the Registrar is responsible for the mistake.

The Duplicate Certificate of Title was received by us clear of any registrations, and, in the belief that there were no registrations coming ahead of us, we made a sale of this land, and we cannot expect our purchaser to pay this lien and it seems most unfair and unreasonable to expect us to pay it at this date as we had taken the certificate of Title in good faith in making a sale of the land.

If we had sold the land at a profit it would not be so bad, but it looks to us as though there will be a considerable loss in this case under these circumstances, we would ask that we have this matter gone into with the Registrar and [illegible] to have the lien cancelled.

Mr. Gliddon,

Re S.W.¼ 31-1-13-4.

In answer to your memorandum dated 15th inst. I beg to inform you that I have no record of the liens for $162.50 and $51.50 advised by the Registrar as being registered against title to the above described land.

These amounts however are included in the Revised List (reference Lethbridge, page 12) as the amounts outstanding against Harry Broadbent for Fodder and Relief as incurred by him on the W.½ 30-1-13 W4M and the S.W.¼ 31-1-13 W4M, and the only way in which I can explain those amounts is that they include a Fodder and Relief lien amounting to $55.00 given by one Andrew Sherman Broadbent on the security of the S.W.¼ 30-1-13 W4M. As you will note the amount of $159.00 which we have on record is for Fodder and Relief against Harry Broadbent, this amount plus the $55.00 mentioned above, totals $214.00, as also the amounts of $162.50 and $51.50 given in the Revised List and mentioned by the Registrar.

I presume it will be in order to advise the removal of those registrations.

With reference to my memorandum immediately hereunder, and in answer to your query notated thereon, I beg to inform you that Mr. Harry Broadbent's indebtedness, amounting to $186.00 and $159.00 has been paid in full, and as those are the only amounts chargeable against the above described land, I presume it will be in order to issue discharges of the amounts for $162.50 and $51.50 in order that the title may be cleared.

I have no record of the amounts of $162.50 and $51.50, and that for $55.00 is correctly registered against title to the S.W.¼ 30-1-13 4M.

With reference to your letter of the 2nd October last, advising that you have registered the discharges of liens for $166.00 and $159.00, respectively, and intimating that further liens for $162.50 and $51.50, respectively, still cloud the title to the above described land, in this connection I beg to say the records here indicate that these further amounts include liens already covered by discharges and a lien for $5[illegible].00 given by Andrew S. You are, therefore, hereby authorized and requested to remove from the said the S.E.¼ 31-1-13-[illegible]. 4th M., the liens in question for 162.50 and $51.50, respectively, still appearing registered against it.

Seed Grain Liens for $35.00 and $20.00 given in favour of the Department by A. S. Broadbent, were, according to information on file in this office registered against title to the above described quarter under date of November 22nd, 1915, your Registration No. 1753 S.L.

An Abstract of title covering this quarter drawn under date of the 15th instant, shows that title passed from Broadbent to the Standard Trust Company under date of November 24th, 1915, and from that Company to the Holland-Canada under date of May 8th, 1924.

As the registration above referred to is not endorsed on this Abstract, and as the Holland Canada Mortgage Company have also advised that they hold title clear of all encumbrances, and further as there is no record in this Department of discharge having issued, would you kindly advise as to why the registration in question does not now appear.

I am in receipt of your communication of the 3rd ultimo, quoting the Sw¼-31-1-13-4, and written in answer to this office letter of July 28th last, quoting the Sw¼-30-1-13-w.4th.

The letter dated December 11th, 1925, to which you refer, authorized the removal of liens for $162.50 and $1.50 from title to the Sw¼-31-1-13-4, on behalf of Harry Broudbent, and in explanation of the registration of those amounts the lien for $6.00 given by Andrew S. With reference to our previous correspondence in connection with the liens for $35.0 and $20.00 which have been dropped from title to the above described quarter, and especially to your communication of September 22nd last, I beg to advise you that the reason for mentioning the $55.00 lien in the Departmental Letter of authorization of December 11th, 1923, was, as previously stated, in explanation of the registration of the amounts of $102.50 and $31.50 against title to the -30-1-13-.4th, and Harry Broadbent.

You will concede I think that the paragraph of the communication of December 11th, 1923, under which you are supposed to act did not convey authorization of removal of the lien for $55.00 from title to the -30-1-13-.4th.

Sir,-

S.W.¼ of Sec. 31 Tp. 25 Rge. 9 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I am to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who may become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter-section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

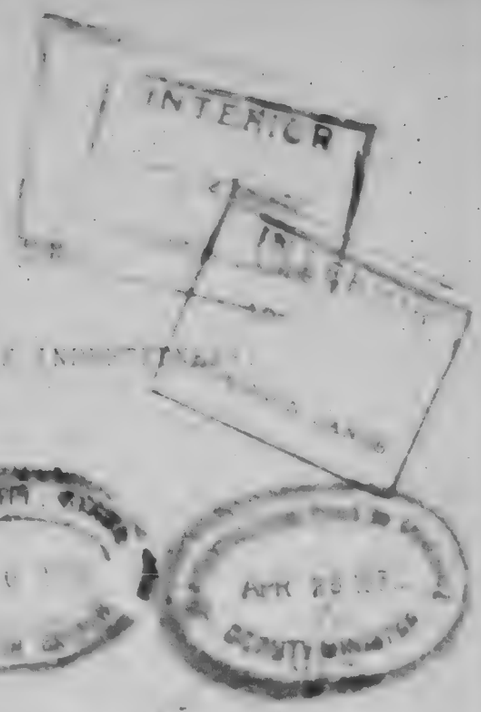

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Acting Commissioner
